TRANSMITTAL

Commissioner For Patents
P.O. Box 1450
Alexandria, VA 22313-1450

Dear Sir:

In response to the Notice of Allowance and Fee(s) Due mailed on April 21, 2004 for the above-referenced application, Applicant reviewed the file history to confirm that all prior art cited during prosecution had been considered and acknowledged by Examiner.

In reviewing the file, Applicant discovered that an acknowledgement of prior art cited in a Supplemental Information Disclosure Statement ("Supplemental IDS") filed on March 24, 2004 had not been issued by the Examiner. In a telephone conference on May 11, 2004, the Examiner confirmed that the Supplemental IDS had not been received.

Accordingly, enclosed herewith is a copy of the Supplemental IDS, which was previously filed on March 24, 2004. Also, enclosed is a copy of the return receipt postcard stamped by the U.S. Patent and Trademark Office confirming receipt of the Supplemental IDS and references on March 29, 2004.

Applicant submits that the reference was considered by the Examiner in the priority application (U.S. Application No. 10/315,307), which has now been allowed. Therefore, Applicant respectfully requests that the reference cited in the enclosed Supplemental IDS be considered by the Examiner and that the Examiner issue a Supplemental Notice of Allowance and Fee(s) Due along with a copy of the enclosed Form PTO-1449 indicating that the prior art has been considered.

Because the due date to file payment of the Issue Fee is July 21, 2004, immediate action is respectfully requested.

Applicant believes that no fee is due. However, the Commissioner is hereby authorized to charge any deficiency fees or credit any overpayments associated with this communication to Deposit Account 08-1394.

Respectfully submitted,
